anus

*A guide to safe and pleasurable
back door practices*

If you have a wild woman, or hope to; most likely you'll want her to give up the booty. If you're into it for the first time or two and feel a little unsure on how to proceed, then read on.

Just keep in mind: slow and easy

Good foreplay is essential to good anal sex. For most couples the anal experience comes with good and bad reviews, but until you share it with your partner, having a positive dialog and attitude is almost mandatory. So becoming comfortable with your partner is imperative.

You could start by giving a massage to relax her, ending in a rub between the vagina and the anus – the perineum. Then try licking her there – a rim job. Obviously and importantly, her butt crack and anus should be clean. More on that later.

Begin by massaging her anus with a well-lubricated finger. Using a lube specifically designed for anal sex is preferred. Be sure your fingers are clean and your nails are trimmed close and smooth. Then start by slowly inserting one finger, and be sure she is comfortable with it. Once she feels ready – you can tell, her sphincter will relax and loosen around your finger – insert a second finger.

There are ways your female partner can prepare herself for anal sex without you. She could begin by playing with herself before going at it with a partner. Try an anal training kit. It's a great way to get started, as this will give you different sized plugs to play around with. A larger butt plug can be a great next step. Some prefer dildos, but a plug may be better for a first- or second-timer. The design of butt plugs provides a flared base or some kind of handle to provide a greater sense of control. If she feels a shooting pain, tell her to try to breathe and relax through it, and pull whatever is in her out. Encourage

her that it's only normal and wait to try it again when she is more receptive.

When you two are ready for anal sex, you'll find that positions for anal sex are as varied as those for vaginal sex, and just like vaginal sex, she'll have her own personal preference. For the first-timers and anal beginners, try anal

in the 'cowgirl' position. Have her sit on your penis so she can control it as it goes in. A second good position is for her to lay on her back with her legs pulled back and hips slightly elevated. Then try it 'doggie-style' but here the man is more in control, and that position makes it easier to thrust hard and deep. Be careful here.

Here are some guidelines to help make anal sex a pleasurable experience for the both of you. Be safe. Be well. Have fun.

1 Stay well lubricated. Unlike the vagina, the anus is not self-lubricating. Anal lube is best for the job, and if you're particularly sensitive, numbing cream can help reduce painful sensations when you start out.

2 If she's a beginner, having something inserted into her anus can be an intense experience; the general reaction is to tense up. Learn to relax. Try various things to relax: take some deep breaths, try a full body massage, start slow and small with toys or fingers. Then lose yourself in the moment. If you two do things right, she'll realize that pain can very quickly give way to immense pleasure. It might take a few tries to get it right the first time, but just stay with it.

3 Contrary to popular belief, it is not advisable to use an enema or douche before anal sex. Not only does this tighten the anus to the point of discomfort, enemas are unnatural and strip the rectal lining of its protective mucus. This can lead to rips, bleeding and general discomfort. Instead, just make sure the bowels have emptied and be sure it's clean.

4 There are water-based lubricants that are optimized for anal sex. The viscosity is thicker, which generally yields a more comfortable and pleasurable experience. Silicone-based lubricants can stay wet longer and do not get as sticky. Just starting out? Get a small bottle of both and see which you prefer.

5 It is possible for women to get a UTI - Urinary Tract Infection from anal sex. But it is also easily preventable. Vaginal sex before anal sex is recommended. The other way around can cause cross-contamination and could lead to a UTI. If you feel compelled to have anal sex before vaginal, be sure to clean off your penis before going for round two. Same goes for toys, for which we rec-

ommend a toy cleaner to ensure everything stays spic and span. Finally, condoms are the best way to keep things clean. Just make sure new ones are used between sessions.

6 In the beginning it will probably hurt. However, once she relaxes, she'll be surprised by how easy anal penetration can be, even if she's a newbie. Take your time, use plenty of lube and breathe deeply. Consider using butt plugs and other toys to maintain control and get used to the new sensations.

7 There are water-based lubricants that are optimized for anal sex. The viscosity is thicker, which generally yields a more comfortable and pleasurable experience. Silicone-based lubricants can stay wet longer and do not get as sticky. Just starting out? Get a small bottle of both and see which you prefer.

8 The feeling that she may have to poop is entirely normal in the beginning. But she most probably won't have to. As always, relax and let the sensation subside. With time, you will be able to distinguish between going to the bathroom and that anal feeling.

9 While gay men generally engage in anal sex, straight men like to have anal sex with their female partner because of the novelty factor. Another common argument is that a woman who will engage in anal sex is inherently arousing to a man. Such a woman, in embracing anal sex, is embracing it with no intent or possible result of pregnancy. For many, it is sex in its rawest form. But many argue that the anus is significantly tighter than the vagina, particularly if you haven't had anal sex before. This of course increases sensation for the man.

10 Almost all women who engage in anal sex will eventually climax anally. The nerve endings inside the rectum are sensitive and can be pleased. The sensations and degree of pleasure depend on the individual woman and her experience with anal sex.

after the party's over

that's when the real party begins

Finally, Saturday arrived and I was excited about Charles' pool party. I had worked hard and many late nights this past week so a day to play was really needed about now. My name is Nadine and I'm one of the night managers at the large restaurant that Charles owns. That's where most of the people here at the party work. His house was pretty amazing but not too large, but it was very tastefully decorated. As Charles showed me around he was not pretentious and his confidence filled the air. He was obviously successful and enjoyed his life. We concluded the

tour and headed outside. The pool was quite large and curvy with a bubbling Jacuzzi at one end. At the pool everyone was already in bathing suits, standing around sipping various types of drinks.

Ernie, my immediate boss, and June, his wife, were there as was Rose the weekend manager. Nearby were two handsome dark-haired men that I did not recognize talking with a stunning blonde girl in a red thong bikini. Charles introduced the two guys as Lou and Ford. They were old friends of Ernie's and they were in town for awhile. The blonde showed no tan lines obviously from frequent nude sunbathing. Then he introduced me to the blonde. I learned that her name was Simone and that she was Charles' current girlfriend. Charles then showed me to the cabana where I could change into my bathing suit.

The little blue bikini that I had brought was very modest compared to some the bikinis worn by other women. I slathered some lotion on me and went out to join the party. Everyone was pleasant enough and I thought I fit in pretty well. As I looked around, some were dipping in the pool, others had congregated in the Jacuzzi. As the day

turned to late afternoon, more drinks were consumed and more sloppy walking and talking were taking place. A hand that bumped into my butt or breast or thigh were probably not as accidental as made out to be. Strangely, I was getting turned on by all the casual touches.

A couple more hours passed and the sun was setting. The crowd had thinned out a bit, but there were still quite a few people there. They had broken off into small groups. I noticed that the two couples made their way into the house with Charles. Lou and Ford were openly fondling Simone's exposed buttocks as she giggled and

swished her ass in fake protest. June and Rose were in the hot tub sitting very close to each other and Rose was squirming indicating that June's hands under the water may be the cause of it. Ernie approached me and I anticipated him taking me some place where he could fuck me. I only hope the booze was making me think that. Ernie was nice enough and had always been pleasant to me at the restaurant. I thought there were times her looked at me in a rather unprofessional way. Not that I didn't mind.

He pulled me aside by the pool's outdoor bar and whispered to me that things were going to get a little more out of hand and perhaps I wasn't ready for it. I asked what he meant by that but he said he'd tell me at work on Monday. I decided he wasn't going to tell me so I agreed to go home.

Ernie gave me a peck on the cheek and I went back into the cabana to change out of my swimsuit. I was tempted to pretend to leave and sneak back to the house so that I could spy on the others. However I remembered what Ernie said and I was worried about the consequences of getting caught. On the drive home I tried to imagine what was going on with all those beautiful women and men. One part of me wished I had stayed while the other part told me I did the right thing by leaving. I was turned on by my erotic thoughts and images. Now I wish I had stayed at the pool party.

nie's fully inflated cock protruding from his hips straight up was a very enticing sight and I moved immediately to crouch over the bulbous head. Ernie held onto my hips as June separated my labia lips as I gently lowered my self upon his stiff manhood. Inch after inch of his fantastic cock gradually disappeared with in my moist pussy. I leaned forward to kiss Ernie and

his tongue thrust deep into

my mouth. June stroked my back and reached under to fondle my breasts and gently pinch my nipples. The sensation of being filled with all of Ernie's eight inches was incredible occasionally he would buck his hips upwards driving his bloated cock even further into my pussy.

The next day I took care of myself because I had a bit of a hangover. I spent most of the day reconstructing yesterday and what happened after I left. Why was Ernie so protective. Anyway, so I go to work Monday morning and it was an uneventful day. That evening I did not see Ernie and I was disappointed to learn that he would not be back until Friday. As my shift ended, I saw June in the back office reviewing some paperwork. I poked my head in to say hello and goodnight. She said she had just finished and invited me to go to her place for a glass of wine. I hoped that we would be doing more than drinking wine, so I agreed and we headed out. The evening was harmless, just a lot of girl talk and I went home about midnight.

Friday rolls around and when I arrived at the restaurant, I was surprised to find Rose there. June told me that Ernie had asked Rose to cover for me so that she and I could go over to Ernie's place. That was fine with me and allowed more time with Ernie and June, I thought. We drove over to their condo, parked and went inside. Ernie was there to greet us with glasses of wine. We talked for a short while and finally ended up naked in Ernie's bed. Er-

June started kissing me deeply, plunging her tongue in my throat as she continued to massage my boobs and tweak my hard little nipples. I was so consumed with lust that I did not notice another figure getting on the bed. June had grabbed Ford's cock with her fingers and guided the engorged head into my mouth. I was so surprised that I let him slowly fuck my face. Now for the first time I had two real cocks in me at the same time and I found it exciting in a nasty way. I started bobbing my head on his cock as Ernie thrust up into my pussy. June had slipped behind me to work my ass. She massaged my shapely firm buttocks and tickled my little tight rosebud. She pried my ass cheeks apart and began to lick my snug bung hole. She had done this to me before but never with a cock in my pussy and another one in my mouth.

I was going wild with the three way sensations. I felt a warm liquid at my puckered opening as June applied lube to it. She coated my tiny opening and smeared it around lubricating the rim. She then eased one of her fingers into my rectum and

slowly began to finger fuck my ass. I was going wild and picked up the pace sucking Ford's cock as I rocked my body on Ernie's thick cock. June removed her fingers and pulled the globes of my ass apart planting kisses on them and rimming my anus. Then I felt something larger at the entrance to my ass and I panicked thinking it was June's dildo. I was about to protest when June appeared at my side and began to rub my tits again.

nie's cock and this time Ford was to have my mouth. I sucked Ford's cock into my mouth and I felt June back working my boobs and nipples. I was to take two more man loads in my holes from Ford and Ernie. Once again June was there to clean my pussy. I felt guilty but good and I was sore but pleased. I had of mixture of feelings and I struggled with them all.

We rested for awhile and then

I felt Ford's rigid cock nestled against the entrance to my asshole before it began to push its way inside me. His cock struggled to stretch my resistant muscles. I felt the head of Ford's penis burrow in and my tight back door soon yielded to the insistant action of his cock. I was steadily being pounded at both ends. The men held me in place with their bodies while June's hands freely roamed over my body. I felt an awakening in my body and an overpowering sensation in my holes. All the while June simultaneously caressed my breasts and tugged and squeezed my nipples. Suddenly I felt the cock inside my ass swell up and it started pumping faster. Within minutes I felt the warm fluid from Ford's cock being squirted inside my anus and I immediately started to cum myself, my walls convulsed around Ernie's intruder fucking my cunt. Ernie grunted as his whole body became stiff and soon he began slamming his cock harder into me. I writhed around and my body arched off the bed as a climax of massive proportions tore through my body. I could feel my juices gushing out. I did not want this to stop.

I collapsed on the bed along side Ernie and June. They both stroked my body as June moved lower to suck my pussy. Before long the guys were hard again and ready for more. I again straddled Er-

Ernie told me it was time for him to fuck my ass. I was apprehensive, in fact, I was scared. He was too big and too wide and he could injure me. Nonetheless I found myself on all fours with Ernie applying more lube to my used asshole. He eased his big dick into me and I gasped as I felt stretched to the hilt. I could actually feel my stomach cramping around him as he stirred my insides and it burned when I clenched down on him my ass muscles convulsed around his thickness. My head was turned to the side and I watched June as she was being fucked by Ford. Shaking and sobbing with painful ecstasy, I tried to fall forward but Ernie's hands kept my ass high in the air for him to pound. When he came it was as though buckets of cum were filling my ass, I tightened my hole around him as I tried to adjust to the way he swelled in my ass. As he climaxed, he was the only one who fucked my ass to continue thrusting as he came. I found it incredibly erotic and I came once again.

I had countless orgasms as a result of the activity and I enjoyed each man – and June. The taste of cum was still on my tongue and my holes still felt full of sperm. The next morning I went to the restaurant with aching muscles and a sore asshole. I finally made it through the day and went directly home and into a long, warm, soothing, totally manless bathtub.

CANDI

You can't mock it until you've tried it. A lot of girls won't do a gangbang, but until you do it, you just can't imagine how great it is. Imagine all your holes filled floating in their arms. Great.
